

Year 1 and 2 Mathematics:

Week commencing 27th April 2020

Dear Parents/Carers

This week we would like the children in both year groups to access the maths lessons on BBC Bitesize.

There is a lesson for each day of the week for each year group. Year 1s in Mrs Wibroe's group may find they are able to do the year 2 lessons and we are happy for them to do this if they wish to have more of a challenge.

We will put a more formal plan on the website on Monday but the lessons are not yet available and so we cannot do this until then. However, you will be able to start Monday's lesson without it so please go ahead. We hope your children enjoy their maths this week.

Thank you

Mrs Austen, Mrs Brown, Mr Wibroe,
