

Super Sentence Stacking

These are special writing challenges that we are all very excited about. You will all write a story together by each doing a small part that we can then weave together and share. You need to write nine sentences about one (and only one!) plot point from the short film shared in the given YouTube lesson. Your sentences should be the very best that you can do and must address the three key challenges given in the session.

Don't panic! Although we cannot be with you to demonstrate everything as we usually would, these YouTube lessons will explain and support the ideas to help you and your parents. Listen very carefully to the set lesson as it will really help you to produce your best work; do what you are asked - no more, no less.

Notes for parents:

The lessons are recordings of previously live sessions and the presenter will ask you to send work to her; DON'T, send it to us at schooloffice@bgpschool.kent.sch.uk Remember to include your child's name, class and the plot point they have chosen to write about.

As these are on YouTube, there are advertising pop-ups (unless you have opted out of these) but they are very brief and are all child-friendly.
