

Dear Parents/Carers,

16 June 2020

We are now running 7 Bubbles, 2 for Early Years, 1 for Year 1, 2 for Year 6 and 2 for children of key workers and are almost at capacity.

If your child is attending the key worker bubbles, please note the following small change.

**Bubble 6 - Year 2 and Year 3 children - entrance/exit and times as before**

**Bubble 7 - Year 4 and Year 5 children - entrance and exit by the main office, times as before**

Yesterday we received the average percentage of children returning to school for each of the permitted year groups. You will see the percentage of children returning to Borough Green is significantly higher than the average across Kent and shows a high level of confidence in the procedures we have put in place.

Year Group	% of children attending across Kent	% of children attending at BGPS
Early Years	27	59
Year 1	21	38
Year 6	32	60

Staff are continuing to plan lessons that are accessible at home, suitable for whole class work and planning for mixed aged groups whilst keeping the content fun, engaging and at the right level of challenge. Phone calls continue to be made to those still at home, although this is becoming more of a challenge, especially for those staff in school and also because so many of you are quite rightly out in the sunshine when staff do call. So please bear with us if we miss you. Keep sending in your children's lovely work and we will endeavour to provide feedback on as much as we can and email Mrs Jeffery or the School Office if you have any queries.

We do not know what September will look like but rest assured that we will continue to do everything we can to ensure the children are supported in both their learning and their mental health well-being.

Kind regards,

Mrs Sandberg  
Headteacher, Borough Green Primary
