

We are learning how numbers are split into tens and ones.

I can identify how many tens and ones are in a given number.

Place Value

Counting in 10's and 1's, write down the value of each box.

| | | | |
|--|--|--|--|
| | | | |
| | | | |
| | | | |

Draw the amount of 10's and 1's you need for each number.

| | | | |
|--|----|--|----|
| | 25 | | 50 |
| | 42 | | 15 |
| | 37 | | 8 |

How did you find this activity?

Traffic light the circle.
