

Year 1 Maths: w/c 8th June 2020

This week we will continue to follow the lessons on Oak National Academy for Numbers to 100 and beyond.

Lesson	Learning objective	Task	Support activities
1	To compare numbers within 100	<p>Here is the link for Lesson 1. (it is labelled Lesson 6 on the academy page) This lesson focuses on</p> <p>https://www.thenationalacademy/year-1/maths/to-compare-numbers-within-100-on-a-number-line-year-1-wk4-1</p> <p>1. Complete the short quiz- what is each number worth in a two-digit number 2. Listen to the video – you will need paper and a pencil. In the video you will need to count in tens on a number line and say the missing numbers on a 100 square. You will also be comparing numbers (saying which is greater than, equal to or less than) 3. Complete the independent task. You can record the answers on paper if you do not have a printer. 4. Complete the end quiz. Using a number line to answer questions.</p>	<p>Practice counting in tens.</p> <p>Extension activity: See Lesson 1 Fill in the missing numbers on the 100 square. If you do not have a printer just write the missing numbers on paper.</p>
2	To compare numbers within 100 on a place value chart.	<p>Here is the link for Lesson 2 (Lesson 7 on the Academy page)</p> <p>https://www.thenationalacademy/year-1/maths/to-compare-numbers-within-100-on-a-place-value-chart-year-1-wk4-2</p>	<p>Extension: Please see an additional Lesson 2 activity on partitioning.</p>

		<ol style="list-style-type: none"> 1. Complete the short quiz- counting tens and ones 2. Listen to the video. This lesson revises partitioning numbers into tens and ones on a place value chart. You have to count the sticks of tens and ones and record the two digit numbers. You then have to work out which 2-digit number is greater. 3. Complete the independent- record the two-digit number represented by the dienes and say which number is the greatest. 4. Complete the end quiz. 	
3	To order numbers within 100.	<p>Here is the link for Lesson 3 (Lesson 8):</p> <p>https://www.thenational.academy/year-1/maths/to-order-numbers-within-100-year-1-wk4-3</p> <ol style="list-style-type: none"> 1. Complete the short quiz- selecting the biggest or smallest number from a selection. 2. Watch the video. You will be ordering a set of 2 digit numbers from biggest to smallest and vice versa. 3. Complete the independent task. Order the numbers and draw the sticks of tens and ones under each number. 4. Complete the end quiz. 	Extension : Lesson 3 – Ordering 2 digit numbers

4	To order numbers within 100	<p>Lesson 4 (Lesson 9):</p> <p>https://www.thenational.academy/year-1/maths/to-order-numbers-within-100-year-1-wk4-4</p> <ol style="list-style-type: none"> 1. Complete the start quiz 2. Watch the video. This video revises ordering numbers to 100. 3. Complete the independent task – ordering numbers. 4. Complete the short end quiz 	<p>Extension: Lesson 4 – order the numbers and create 2 –digit numbers using digit cards.</p>
5	To identify patterns within a sequence of numbers.	<p>Lesson 5 (Lesson 10):</p> <p>https://www.thenational.academy/year-1/maths/to-identify-patterns-within-a-sequence-of-numbers-year-1-wk4-5</p> <ol style="list-style-type: none"> 1. Complete the short quiz- 2. Watch the video. This video is about counting in 2's, 5's and 10's forwards and backwards. 3. Complete the independent task – complete the number sequences. 4. Complete the end quiz. 	<p>Practice counting in 2's, 5's and 10's.</p> <p>Extension: See Lesson 5 – filling in the missing numbers on number lines.</p>
