

All About Me Emoji Emotions Snap Game

Instructions

- Children can play the game in pairs or in small groups of up to 4 children.
- Cut out one set of cards per child. You may wish to print them on card or laminate them, to make them strong.
- Shuffle the cards and divide them between the players so that each child has a pile, face down in front of them.
- The children can take it in turns to place a card in the middle, face up and describe the emotion.
- When they place an identical card on top of another, they shout 'Snap!' The first child to shout 'Snap!' wins all of the cards from the centre.
- The winner is the child who manages to collect all of the cards.
