

These tasks are intended to be done one a day however we understand that a different system might suit your home learning style better.

Task 1

I can compare decimals.

 Write the numbers shown and compare using $<$ or $>$

 Draw counters in the place value chart to make the statement correct.

 Complete.

5.5	○	5.7		0.37	<	0.7
0.14	○	0.29		2.22	>	2.2
1	○	0.64		1.1	>	1.1
3.32	○	3.23		9.9	<	9.9

7

Task 2

Task 2

I can order decimals.

-  Write down the decimals represented in the place value grid and then place them in ascending order.

-  Place the numbers in descending order.

46.2

9.64

46.02

40.46

Task 3

I can round decimals.

<https://whiterosemaths.com/homelearning/year-4/>

Go to Week 2 (W/c 27th April) and then Lesson 1 entitled Rounding Decimals.

Task 4

I know the equivalent fractions and decimals of a half, a quarter and three quarters.

Have a go at creating your own poster of the information below.

Halves, Quarters and Three Quarters as Decimals

Year 4 - Number – fractions (including decimals)

$$\text{Circle with 1/2 shaded pink} = \frac{1}{2} = 0.5$$

$$\text{Circle with 1/4 shaded pink} = \frac{1}{4} = 0.25$$

$$\text{Circle with 3/4 shaded pink} = \frac{3}{4} = 0.75$$

Task 5

Our new maths topic is going to be on length and perimeter.

Have a go at measuring things around the house ready for next week's maths. You could even try and measure your arm, your leg, your feet and anything else you can think of!
