

House Captain Contract

Congratulations on being voted House Captain. As you know, this is a privileged position and involves a lot of responsibility. Below we have outlined your commitment to the role of House Captain. Please read each pledge carefully and sign to say you understand and agree to the responsibilities required of House Captains.

- I will represent the school in an exemplary manner at all times, wearing correct school uniform and maintaining a polite and approachable manner.
- When carrying out my duties, I will be polite at all times and will support other pupils to do the right thing.
- I will be an excellent role model in all lessons, assemblies, when walking around the school and when carrying out my duties. This means that my behaviour will be exemplary and my manner cooperative and courteous.
- I will complete homework tasks on time and to a high standard.
- I will never do anything resulting in a lunchtime reflection session.

I understand that I may lose my position of responsibility if I break any of these conditions.
