

2<sup>nd</sup> January 2021

Dear Parents/Carers

### **Home Learning Year 1 and 2**

Here is a quick guide to using the Year 1 and 2 Home Learning page on the Borough Green Primary School website. Please access the Home Learning by clicking on the tab Home Learning and scrolling down to the Year 1 and 2 folder. The Home Learning follows the lessons we would have been teaching in school and broadly follows the timetable of the school day in accordance with Government guidelines.

Day	Lesson 1 (30 mins)	Lesson 2 (one hour)	Lesson 3 (one hour)	Lesson 4 (one hour)	Lesson 5 (20 mins)
Monday	Phonics and spelling	Maths	Literacy	DT/IT	Reading
Tuesday	Phonics and spelling	Maths	Literacy	DT/IT	Reading
Wednesday	Phonics and spelling	Maths	Literacy	Art	Reading
Thursday	Phonics and spelling	Maths	Literacy	Art	Reading
Friday	Phonics and spelling	Maths	Literacy	PSHE	Reading

You will see that the Home Learning plans for Phonics, Maths and Literacy set out a day-by-day set of lessons. I have provided a suggested time for each lesson in the table above. The remaining tasks are included within the tab "Experience".

Please be aware that we group the children for Phonics and Maths and therefore you will need to select the correct lesson for your child.

All Year 1 children will be asked to do the Year 1 Maths lessons and all Year 2 children to do the Year 2 Maths. Please note there are Maths extension activities for those children in Mrs Brown's Maths class but not for those in Mrs Galloway's group.

In terms of Phonics, please ask your child which adult teaches them in school and then select this set of lessons. Please note some Year 2 children are in Mrs Brown's and Mrs Jones's Phonics groups.

Thank you for your support.

Mrs Brown
