

# Big Sur Road Trip Chottings Page 2

Model Sentence – The embedded clause ... or parenthesis

We are going to revise inserting extra information into the middle of a sentence.

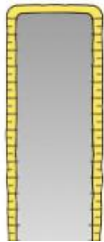

**e.g. The road trip, which had been the subject of my dreams for so long, started in Monterey Bay where I collected my shining new hire car.**

Model Sentence –

Within minutes I felt as if I had left all human bustle and interference behind.

Collect adverbials of time and place:

*Some ten minutes later...*

*Within half an hour...*

*After travelling for about 10 miles...*

*Further along the coast...*

Model Sentence - **The rugged coastline took my breath away with its dramatic jutting rock formations and wild surging waters.**

Use your magpie words from page 1 to write a descriptive sentence. Watch the video again if you need to.
