

## How We Promote SMSC at Borough Green Primary School

<b>SOCIAL</b>	<b>MORAL</b>	<b>SPIRITUAL</b>	<b>CULTURAL</b>
<p><b>Social</b> development shows children working together effectively, relating well to adults and participating in the local community.</p>	<p><b>Moral</b> development is largely about choices, behaviour and how you live your life. It's also about personal and societal values, understanding the reasons for them and airing and understanding disagreements.</p>	<p><b>Spiritual</b> development is concerned with developing the non-material aspects of life, focusing on personal insight, values, meaning and purpose. Beliefs that help provide perspective on life may be rooted in a religion, but equally may not.</p>	<p><b>Cultural</b> development is about understanding and feeling comfortable in a variety of cultures and experiencing a range of cultural activities (art, theatre, travel, concerts). Understanding and tolerance regarding the cultural traditions and beliefs of others.</p>
