

Year 4 Maths Class

This week we continue with multiplication and division. We move on from the 3 and 6 times tables to focus on the 9, 7, 11 and 12 times tables. Automatic recall is so important, so please keep on practising your tables using TT Rock Stars or websites like Topmarks <https://www.topmarks.co.uk/maths-games/hit-the-button> . To learn times tables, you will find some helpful tips here <https://www.theschoolrun.com/times-tables-the-best-ways-to-learn>

Monday 18th January: Multiply and divide by 9

Join us at 10 am by zoom for your lesson, which will help you complete the work for today.

Tuesday 19th January: 9 times-table and division facts

Join us at 10 am by zoom for your maths lesson and then complete the activity for today.

Wednesday 20th January: Multiply and divide by 7

Join us at 10 am by zoom for your lesson, which will help you complete today's work.

Thursday 21st January: 7 times table and division facts

Join us at 10 am by zoom for your maths lesson and complete the associated worksheet.

Friday 22nd January: 11 and 12 times table

If you don't see our zoom lesson today, catch up on this video <https://vimeo.com/490692507> and complete the relevant worksheet.
