Week Commencing 18th January 2020
Monday 18th - I can subtract 1 digit numbers from 3 digit numbers using pictorial representations.
https://classroom.thenational.academy/lessons/adding-and-subtracting-1-digit-numbers-tofrom-3-digit-numbers-68uk4e

Tuesday 19th - I can subtract 1 digit numbers from 3 digit numbers using the column method.
https://whiterosemaths.com/homelearning/year-3/week-5/
Watch the video entitled, "Subtract a 1 digit number from a 3 digit number - crossing 10 ".
Watch this video up to 5 minutes 30 seconds.
This video shows that if you don't have enough units to subtract a number, you have to exchange a ten for ten units. Have a go at completing the following calculations using the column method.
a) 235-7
b) $892-3$
c) 578-9

Wednesday 20th - I can subtract a $\mathbf{2}$ digit number from a $\mathbf{3}$ digit number using pictorial representations with no exchanging.

## https://whiterosemaths.com/homelearning/year-3/week-5/

Please watch the video entitled, " Add and subtract 3 and 2 digit numbers - not crossing 100."
Please watch the video up to 4 minutes 44 seconds.
Thursday 21st - I can subtract a 2 digit number from a $\mathbf{3}$ digit number using the column method with no exchanging.

Have a go at working these out using the column method.
a) 235-3
b) 789-3
c) 357-4

Friday 22nd - I can subtract a 2 digit number from a $\mathbf{3}$ digit number using pictorial representations with an exchange.
https://whiterosemaths.com/homelearning/year-3/week-5/
Watch the video entitled, "Subtract 2 digit numbers from 3 digit numbers - crossing 100."
Please watch the video up to 5 minutes 10 seconds.
