## Reporting clauses in indirect speech

Borough Green Fire Service told us that many buildings are still in a precarious state and will be for some time.

Videos posted on social media appear to show the moment one multi-storey building went down, the BBC's Orla Guerin in Istanbul reports.

## Speech punctuation in direct speech

"It was totally unexpected; no-one could have predicted this," said Parish Councillor Jim Morgan, 47, of Staleys Road.

"It's truly devastating," said local teacher, Mrs Martin, 21, of Sevenoaks Road.

## An emotional and informal register in interviewees' contributions

"Running out of the house with my children was like a drunken wobble," Chris Bedford, a retired British teacher who lives in Urla, told the BBC.
