<u>Stanley – an Unlikely Hero?</u>

at the beginning of holes, stanley yelnats is an over-wait bullyed boy who lacks confidance. He is tormentd by derrick dunne who takes stanleys belongings and throughs them down the toilet. Even the teacher at his school embares him about his wait and they don't beleive him when he tells them that hes being bulled. Later at the camp when stanley diging wholes he imajins derrick being beet up by the other boys he feels that he s part of a frendchip groop four the first tim.

Stanley thinks his famile are coursed; his grate grate grandfather stolen pig from lady with won leg and she put a course on him and all his decendents Stanley feals like hes always in the rong place at the rong thyme. In adishun stanleys famile are paw and lives in small apartment.

it is intresting that the other boys nickname stanley caveman praps this is becuase he is so big. the first syne that stanley is heroic is when he rights to his mother. he is worryed about her and wants her to think hes in a good place wear hell be ok. letters tell her that the camp is like a summer camp and that activitys like swiming in the lake happen stanleys kindness and consern four his mothers feellings is admable.

another admible thing about stanley is the weigh he seize the potenshal in zero he quickly relizes zero is cleva and he enjoys teeching him later he is evan wiling to teech him without zero digin his wholes becase he feels a sens of perpas in being a teacher and he seas zero macking progress.

stanley is alsow heroic when he sets of to rescu zero in the dessert he trys steel water truk but fales going into dessert puts himself in grate danjer but he dus it anyweigh.
