

Good morning lovely children!

A warm greeting is being sent to you from all your teachers. Please have a go at completing your week's learning from home. This may be tricky in some cases and all we ask is that you try your best.

This is the second week of our Beware Of The Monster experience! It is focused on the story of Beowulf, which is a tale from the Anglo Saxon times.

Feel free to email your teacher with pictures of your fabulous work. If you have a problem with something, please see the days in brackets to find out who to email to get the quickest response. You are welcome to email this adult even if it is not your regular teacher. This is because your teachers will also be teaching the key worker children back at school.
