

(Update Feb21)

*Please be aware that our suppliers are running at reduced capacity due to the national lockdowns. We therefore anticipate that orders may take a bit longer than in previous times. We hope to resume ordering once school is fully reopened. If uniform is required in an emergency for those currently attending school, please contact the school office via email.*

## **Uniform Ordering**

Items of uniform can be purchased online using the school ParentPay account.

**To order** - log into parent pay

Click on pay for other items

Choose item i.e sweatshirt, polo shirt etc

Add number of items required

Add size required or house colour in the notes field Add to basket

Pay using account or card

Once items are paid for a message will be generated to the school office, your order will then be processed at the next cut off date. This is usually once termly except for the summer term when two orders are placed.

Please note that all our uniform is made to order so it's important to order correct sizes and allow for growth as replacements would have to be reordered at a later date and cannot always be refunded. Orders usually take approx 3/4 weeks from the cut off date.

**New intake Reception Parents** – House colours won't be available until further into the summer term, PE shirts can be ordered once these have been allocated.

**Stock Items** – A limited amount of stock is kept onsite for purchase, in particular PE shirts are available

**Second Hand Uniform Shop** – Our PTA run a second hand uniform shop open one afternoon a week (When school is open). They have a large selection of very reasonably priced second hand uniform to buy.
