

Year 2 Maths Term 4 Week 1 w/c 22nd February 2021

Note to parents and carers: This week we are beginning to learn about Multiplication and Division

In the main lessons this week, I am going to continue to teach live, the Year 2 Maths lessons. I will be starting a multiplication and division unit. We will be learning about equal and unequal groups, how to add equal groups, making arrays and using the x symbol. For those unable to attend the zoom call I have attached links to the White Rose Maths lessons below but joining the sessions of live teaching will be much more advantageous to your child.

I will be using a number of different Maths resources during the zoom lessons this week including cubes and counters. Please could you make sure your child has a number of sets of different objects that they can use to count, group and set out in arrays. I will also be representing all of the calculations using jottings.

Thank you and I look forward to seeing you all at 9.30am each day for our Maths live lesson via Zoom.

Mrs Brown

Sessions	Learning objective	Main activity
1	To make equal and unequal groups	<p>Work through the White Rose lessons below</p> <p>Make equal groups activity</p> <p>Make equal groups</p> <p>Redistribute from unequal to equal groups activity</p> <p>You can find them by clicking this link https://whiterosemaths.com/homelearning/year-2/week-12-number-multiplication-division/</p>
2	To add equal groups and investigate arrays	<p>Work through the White Rose lessons below</p> <p>Add equal groups</p> <p>Make arrays</p> <p>You can find them by clicking this link https://whiterosemaths.com/homelearning/year-2/week-12-number-multiplication-division/</p>
3	To recognise and make equal groups and add the groups using stem sentences to describe the calculations	<p>Work through the White Rose lessons below</p> <p>Recognise equal groups</p> <p>Make equal groups</p> <p>Add equal groups</p> <p>You can find them by clicking this link https://whiterosemaths.com/homelearning/year-2/week-1-number-multiplication-and-division/</p>

4	To use the x symbol and represent multiplication sentences using pictures	<p>Work through the White Rose lessons below</p> <p>Multiplication using the x symbol</p> <p>Multiplication sentences using pictures</p> <p>You can find them by clicking this link https://whiterosemaths.com/homelearning/year-2/week-1-number-multiplication-and-division/</p>
5	To draw and use arrays	<p>Work through the White Rose lessons below</p> <p>Using arrays</p> <p>You can find them by clicking this link https://whiterosemaths.com/homelearning/year-2/week-2-number-multiplication-and-division/</p>
