

Year 2 Maths Term 4 Week 2 w/c 1<sup>st</sup> March 2021

**Note to parents and carers:** This week we are continuing to learn about Multiplication and Division

In the main lessons this week, I am going to continue to teach live, the Year 2 Maths lessons. I will be continuing with a multiplication and division unit. For those unable to attend the zoom call I have attached links to the White Rose Maths lessons below but joining the sessions of live teaching will be much more advantageous to your child.

I will be using a number of different Maths resources during the zoom lessons this week including cubes and counters. Please could you make sure your child has a number of sets of different objects that they can use to count, group and set out in arrays. I will also be representing all of the calculations using jottings.

Thank you and I look forward to seeing you all at 9.30am each day for our Maths live lesson via Zoom.

Mrs Brown

Sessions	Learning objective	Main activity
1	To make doubles and explore the 2 times table	<p>Work through the White Rose lessons below</p> <p><b>Making doubles</b></p> <p><b>2 x tables</b></p> <p>You can find them by clicking this link <a href="https://whiterosemaths.com/homelearning/year-2/week-2-number-multiplication-division/">https://whiterosemaths.com/homelearning/year-2/week-2-number-multiplication-division/</a></p>
2	To explore the 5 times and 10 times tables	<p>Work through the White Rose lessons below</p> <p><b>5 x tables</b></p> <p><b>10 x tables</b></p> <p>You can find them by clicking this link <a href="https://whiterosemaths.com/homelearning/year-2/week-2-number-multiplication-division/">https://whiterosemaths.com/homelearning/year-2/week-2-number-multiplication-division/</a></p>
3	To make equal groups by sharing	<p>Work through the White Rose lessons below</p> <p><b>Make equal groups by sharing (recap)</b></p> <p><b>Make equal groups by sharing</b></p> <p>You can find them by clicking this link <a href="https://whiterosemaths.com/homelearning/year-2/week-3-number-multiplication-and-division/">https://whiterosemaths.com/homelearning/year-2/week-3-number-multiplication-and-division/</a></p>
4	To make equal groups by grouping	<p>Work through the White Rose lessons below</p> <p><b>Make equal groups by grouping (recap)</b></p> <p><b>Make equal groups by grouping</b></p>

		<p>You can find them by clicking this link <a href="https://whiterosemaths.com/homelearning/year-2/week-3-number-multiplication-and-division/">https://whiterosemaths.com/homelearning/year-2/week-3-number-multiplication-and-division/</a></p>
5	<p>To complete an activity making equal groups by grouping</p>	<p>Work through the White Rose lessons below</p> <p><b>Make equal groups by grouping activity</b></p> <p>You can find them by clicking this link <a href="https://whiterosemaths.com/homelearning/year-2/week-3-number-multiplication-and-division/">https://whiterosemaths.com/homelearning/year-2/week-3-number-multiplication-and-division/</a></p>
