

Dear Parents and Children,

Welcome to Term 5 and our new experience: **Ready, Steady, Cook!** For the next five weeks, we are exploring food, cooking and the science behind it. Throughout the experience the children will be learning outside as well as in the classroom; enjoying some of their cooking around the campfire will likely be a real highlight. They will complete a Design Technology project making Mudburgers and Bruce Boggtrotter's chocolate cake from the Roald Dahl Revolting Recipes book. Please visit the school website to see more detailed planning for these exciting learning experiences.

PE Kit

It is essential that children remember to wear their full PE kit into school on Mondays and Thursdays. It would also be useful for them to have a pair of trainers in their lockers on the other days in case we choose to do outdoor activities.

Swimming

We will be swimming on a Wednesday and Thursday during Term 5. Please ensure that your child has their swimming kit with them on the first Wednesday back at school, as we will be informing the children of their swimming day then.

Reading

As always, please encourage your children to find some time to read at home and remind them to bring their accelerated reader books back into school each day so that we can read with them and complete quizzes where necessary.

Many thanks,

Mrs Bowers, Miss Butterfield, Miss Philipps and Mr Wheatley.
