

Borough Green Go for Gold!

Borough Green Primary School, have achieved 3 School Games Marks over a period of recent academic years. Sadly, Covid-19 restrictions have stopped us persevering with this in the last few years but we strive to receive another.

The School Games Mark is a Government led award scheme launched in 2012, facilitated by the Youth Sport Trust to reward schools for their commitment to the development of competition across their school and into the community, and we are delighted to have been recognised for our success.

With Covid restrictions dwindling we are determined to once again fully immerse our children in sport and competition both in and outside of their curriculum. How can you help us? Encourage your child to go to a club; look out for competition invites for your child; suggest new clubs based on your child's interests; volunteer your time to share your skills with us.

As always a massive thank you to those who help run clubs, drop their children off early before school, transport children to events and wash kit, to name just a few. Both my self and the children greatly appreciate.

We look forward to applying once again in 2022!
