

Hello.

I just wanted to let you know about the incredible students you have!

Today on the school trip I had Jake, Ava, Amelia, Elouise and Logan they were an absolute pleasure to have and represented the school beautifully, opening doors for people, respecting the environment by collecting any litter left behind on the tables even if it wasn't their litter. Using their manners with not only me but with staff and members of the public! If I could award DOJOS then I certainly would of.

We were stopped several times by both staff and members of the public to say how well behaved and well-mannered they all were, so I felt it was only right you knew too!

Kind regards
Danielle Hatch
