

# Football

This year has seen the return of football club for the year 5 & 6's. Monday mornings at 8am has been a highlight for me. Lovely to see players who have never played for a football team outside of school. Your improvement has been amazing.

We've managed to take part in a tournament which was great experience for all involved, some great football was played.

This year we asked each player to vote for who they thought player of the year should be. Well done to Malachy Lusher-Guess who received the most votes. Very well deserved.

Mr Hammal and I have chosen this year's player of the year for his outstanding commitment to training, incredible attitude and brilliant football. Well done to Caleb Moriarty.

This year 6 of our year 5 boys tried out to play for the Tonbridge and Malling District football team. Huge well done to Charlie Sturgeon and Luke Hammal from Borough Green Primary for getting selected.

# Netball

- Well done netballers. A great year of netball and huge improvement to everyone's play. Great to have year 3 and 4 playing this year. Please come back next year, you have been great. And year 5, hope to see you next year.
- To the year 6's - I hope you keep playing in secondary school, it has been great to see how you've improved as players.
- Mrs Isard and I have chosen these two players for their commitment to training, enthusiasm and outstanding play. Well done to Maddie Salt and Bethany Woodger
