

A Christmas Message from the Governors

It has been a busy year and we cannot believe it is Christmas already. This year has been jam packed with the children undertaking many activities that they could not enjoy during COVID. The annual trip to the Isle of Wight was once again back on the calendar for all to look forward to.

It has been a challenging year for the school leadership team as they have had to ensure that all children catch up on the learning that was disrupted from the last few years. It is testament to Mrs Sandberg and her team, that the children are once again fully engaged in the curriculum, and that the classrooms are a fun and engaging place.

The governors have been busy carrying out their monitoring roles throughout the year to ensure that the school is safe, adhering to the guidelines issued from the Department of Education and holding the senior leadership to account for their actions and decisions. As governors we have scrutinised and approved multiple policies and are proud of how the school has managed to balance the risks and continued to safely deliver the curriculum and provide the children with a range of exciting experiences.

Within the governing body we have said farewell to several governors and welcomed new ones to help support the school. Governors are all volunteers and give up their spare time to ensure that the school is run as efficiently as it can be.

As ever, the schools amazing Parent Teacher Association (PTA) have outperformed themselves this year with incredible events such as the Easter egg hunt, the summertime concert on the meadow and the Christmas fair. This team of dedicated volunteers give up their time to organise events for the school community to ensure that additional funds are raised to provide all children in the school with resources to support their learning journey. We cannot thank them enough for all their support and dedication over the last year.

Finally, we would like to say thank you to everyone including parents, children and school staff who have made Borough Green Primary School the success that it is today.

On behalf of all the governors, we wish you a peaceful Christmas holiday and a happy and healthy 2023.

Richard Pearce and George Booth

Co-Chairs of Governors Borough Green Primary School
