

THE PTA YEAR

Dear Parents, Carers and Staff,

We'd like to let you all know how well the PTA Fundraising has gone this year. With thanks to all those that helped with any of these events, even by attending.

You have helped raise £15,718! Which we think is an amazing achievement.

With PTA money this year, we have paid for:

The beautiful, new Forest School structure

The 2nd hand uniform cabin

Contributed to the year 6 leavers residential

Contributed to the 02 young voices trip

Painted a classroom

made the grounds look prettier with new flowers

Gave teachers their own budgets for their classes, which has gone towards books, stationery, art access, crafts and mobile whiteboards.

We will continue to raise money so the school can keep benefiting from these extras, So please do continue to help support us, it's much appreciated.

And please remember to book your tickets for Meadowfest if you want to join our fun family festival. It was a great day last year, and we expect the same again!
