

# Splash!

Can you describe the habitat for each of these creatures?

We will be reading fiction and non-fiction books to help us learn about their habitats. You will also write your own story about a sea creature!

## Vocabulary:

similar, different  
fin, tentacle, scales, pinchers  
turquoise lagoon, coral reef,

	What do they look like?
Fish	scales, fins, teeth
Turtle	flippers, shell, beak
Shark	fins, teeth
Octopus	8 tentacles
Crab	shell, pinchers
Dolphin	fins
Whale	green skin

coral reefs

seaweed  
jungle

turquoise lagoons

These are all a part of the underwater environment that makes up the sea.
