Term 6 | 27 June 2025

A message from Mrs Jackson...

Dear Parents and Carers,

Another week at Borough Green Primary School has flown by with some brilliant learning opportunities for the children. It was quite a surprise for me to see a rather large spider under the visualiser in Maple Class during their art lesson. The children were immersed in their artwork and looking at minibeasts from different perspective points. The spider was not one for me, although Jimmy in year 3 told me they make really great pets as he was reading a non-fiction book all about them this morning.

Years One and Two thoroughly enjoyed their trip to Hever Castle. History really comes alive when it's taken on a field trip and creates memories for the children of primary school years. Thank you to the parent volunteers that made this all possible and to the staff team for organising, particularly Mrs Barker in the office who made sure everything was in place for the day.

Mrs Hemsley has enjoyed meeting next year's Apple Class Children as they visited and spent time with our current class. They were warmly welcomed to our school. We also hosted a visit from Kent Police who spoke to the Year 5 and 6 children about a number of important issues including the criminal age of responsibility and knife crime. The children were surprised to hear the age of criminal responsibility is 10 and we think it is important for them to know this. As a staff team, we often discuss responsibility with the children and, during restorative conversations, remind children to take ownership of their own behaviour. Mistakes can and will be made, but take ownership, accept that a mistake has been made and learn from it.

We would like to thank the PTA for hosting the discos this evening. I know many of the children are looking forward to them.

Thank you for your continued support.

Have a lovely weekend.

Best wishes,
Mrs Jackson
