

# A Christmas Message from the Governors

It has been another busy and exciting year for the children of Borough Green Primary School, with pupils taking part in a wide range of activities both in and outside of the classroom.

At the start of the year, our school choir once again wowed audiences, performing at the School Voices competition at the O2, and more recently at the Borough Green Christmas lights switch-on. Reception and Key Stage 1 pupils delighted everyone with their nativity play, *The Magical Christmas Journey*, while older pupils showcased their talents earlier this year with *Wind in the Willows* (Years 3 & 4) and *Treachery at Traitors' Quay* (Years 5 & 6).

Alongside these wonderful achievements, our pupils have engaged in a variety of exciting educational experiences, including VR workshops, maths workshops, reading escape room challenges, visits from author and illustrator James Mayhew, and participation in local football competitions for both boys and girls.

It has truly been a year full of learning, creativity, and memorable experiences for all our children, and we are incredibly proud of everything they have achieved.

This year, the school has also continued to strengthen its links with the local community through activities such as collections for the local foodbank, visits to West Bank Care Home, a Remembrance visit to the War Memorial and inviting community members to help refresh areas of the school, including the Nature Area and Staff Wellbeing Area.

While last year's focus was on the Headteacher and Deputy Headteacher appointments and Ofsted, this year has very much been dedicated to refreshing and improving areas of the school, including the Year 3 & 4 and Year 5 & 6 toilets, the Reception playground, the school hall, and the outdoor classroom and a huge thanks to all the staff, parents, carers and pupils for making these happen.

We are also immensely grateful to our amazing PTA, who have once again worked tirelessly to organize many events for the pupils, including discos, Music on the Meadow, the Christmas Market, Penny Wars, Elfridges, the Wonka Bar event, and most recently, Afternoon Tea with Santa. Through their dedication and countless voluntary hours, the PTA has raised funds that have supported numerous school improvements, including the refurbishment of the school hall and toilets, iPads and outdoor classroom area refresh. We extend our heartfelt thanks to the PTA, and to parents and teachers, for their ongoing support of these events.

Finally, we want to thank the children, parents, and carers, who together help make Borough Green Primary School such a welcoming and nurturing place for our pupils to thrive.

On behalf of all the Governors, I wish you a joyful festive break and a happy and healthy 2026!

Charles Copping
