Please read this list carefully as some clubs will only take place over specific terms and others are subject to staff's other commitments. Notification will be given to children in assembly or by a note to classes if they are to be cancelled.

Clubs run by members of staff often will not resume the first week back to school following a holiday and could be subject to resuming later in the year. The office will inform parents via Arbor.

Externally run clubs are Monday & Friday Gym Club run by Sarah Hills of Bright Stars. Piano Lessons on Tuesday mornings by Kent Music. iRock sessions on Tuesday afternoons by iRock. Football Club by ESA and Jam Coding. Swimming Lessons are run by Collette's Swim School. There is information and contacts for these clubs at the school office, however booking and payments are done directly with the club.
