Dear Parents/Carers

Borough Green Primary is a warm, welcoming and inclusive school with a very strong family atmosphere that gives a great sense of belonging.

Our enthusiastic and forward thinking staff give the highest priority to academic excellence through a rich range of curriculum experiences that give precedence to imaginative and self-motivated learning. Children discover their unique gifts through specialist teaching such as sport, music and modern foreign languages and our extensive grounds, covered swimming pool, nature area and outdoor classroom enhance the learning journey.

Parents are involved in their children's education through blogs and our many open door sessions. In our small Early Years' classes, an interactive online learning journal will send updates to your phone as each 'milestone' is achieved.
